MARCHON/ALTAIR FRAME REBATE PROGRAM

ELIGIBILITY

Eligibility is limited to PECAA Max members (“Members”) who are independent eye care professionals. Offer not valid anywhere prohibited by law.

ELIGIBILITY PERIOD

The Marchon/Altair Frame Rebate Offer is valid for all eligible purchases of Marchon and Altair frames for PECAA Max members from January 1, 2026 through December 31, 2026.

TERMS AND CONDITIONS

Effective January 1, 2026, the Marchon/Altair Frame Rebate program applies to all eligible purchases of Marchon and Altair frames for PECAA Max members. Members are eligible to receive a quarterly rebate amount based on their annual spend as illustrated in the below chart:

Marchon and Altair Frame Rebate for PECAA Max Members			
<i>Effective January 1, 2026</i>			
Structure	Tier 1	Tier 2	Tier 3
Spend Requirement*	\$12,000	\$20,000	\$30,000
Brand Requirement <small>Minimum of 10 units per brand</small>	8	10	12
Rebate %	5%	10%	15%

*Multilocation spend requirement is decreased 50% for each additional location. For example, \$15,000 for Tier 3

To reach a Marchon/Altair Frame Rebate tier and start earning, Members must: (a) purchase a minimum of ten (10) units of a brand or bring in ten (10) units on consignment within the look back period of twelve (12) months; and (b) meet the minimum brand order requirement of the respective rebate tier based on Member purchases from the last (12) months at the end of each quarter, as illustrated in the above chart. For multi-location practices, eligibility is based on the unique count of brands across all PECAA-aligned locations. Members who belong to multiple buying groups must align PECAA as their primary buying group for their purchases and brands to qualify toward the Marchon/Altair Frame Rebate calculation.

The minimum criteria for both spend and brands must be met to achieve the tier, and achievement is based on the lower of the two requirements. For example, if a practice reaches Tier 1 for brand count and Tier 2 for spend, the practice will be at Tier 1. Frame spend criteria is calculated across all locations, even those locations that are not PECAA-aligned. There is no maximum to how much you can earn with this rebate.

Rebates will be paid on a quarterly basis as shown in the following schedule:
